CONDITIONS, POLICIES & PROCEDURES

Pricing

All prices and product specifications are subject to change without notice resulting from occasional changes to product design. All prices are suggested list, and are shown in U.S. dollars.

Taxes

All federal, state or local taxes will be added to the invoice when applicable.

Payment Terms

Standard payment terms apply: 2% - 30, net 45.

Prepaid Freight

Orders of \$2,000 or more of any combination of Franke Commercial sinks and accessories in the continental United States, qualify for prepaid shipments to one destination.

Loss or Damage in Transit

Our liability ceases upon delivery of the goods to the carrier at our factory. Claims resulting from damage or loss in transit are to be made by the consignee against the carrier. We monitor the performance of our selected carriers to ensure quality service.

Returns Policy

Any returned goods must be accompanied by a RETURN GOODS AUTHORIZATION which must be provided by the sales representative in your territory. If the goods are not defective, a 25% restocking fee will be assessed by our representative upon inspection.

NON-RETURNABLE:

- 1) Custom made sinks.
- 2) Sinks with custom hole drillings (models ending with "/X")
- 3) Obsolete products which are not included in our current book.

Limited Warranty

Franke will, at its option, repair any defective product, replace any defective product or refund the purchase of any defective product covered by the warranty set forth on the LIMITED BUYER WARRANTY page.

Product Certification

Franke Commercial Systems is committed to product certification. We strive to have all our products designed and certified to meet all applicable standards. Refer to our PRODUCT CERTIFICATION page for more details.

LEED Statement

The Green Building Certification Institute (GBCI) team of LEED® Accredited Professionals have performed a benchmark analysis of Franke Commercial Systems' sink ware and determined that these products may:

- 1. Improve Building Durability
- 2. Reduce Demand for Raw Materials
- 3. Improve Indoor Environmental Quality

GBCI believes that several characteristics of Franke Commercial's sinkware are congruent with green building principles and, as such, these products may be considered applicable to high performance buildings and also may contribute meaningfully to green building projects that pursue a LEED® Certification. For full details of your selected product, feel free to contact us.

Procedure for Custom Sink Ordering

Requests should be accompanied by a thoroughly completed copy of the check list as furnished in the CUSTOM SINKS section. A sketch would be helpful in many cases. Job names and quantities must be provided. A quote will be returned, based on the information you provide. An approval drawing will not be prepared until we receive a purchase order, at which time we will prepare the drawing and return it for approval by the specifier. Allow up to 48 hours for generation of the drawing. Production will not proceed until Franke Commercial has received the signed approval drawing.
