210 **Kitchen Solutions — Accessories**

Years of experience, yet still as curious as kids.

At Franke, we have been looking for new solutions and innovations for over 100 years, and our attitude still has not changed. In 1911 we combined traditional craftsmanship, precision engineering and a constant pursuit of innovation, three principles that remain at our core.

A story forged in Swiss precision

Our story began at the beginning of the last century as a small sheet-metal business in Rorschach, Switzerland, established by Hermann Franke.

Since then, we have opened up to the world and inaugurated manufacturing facilities all around the globe. Which led us to become leaders in the kitchen sink segment, and home solutions altogether.

Shaping our future

Preserving the environment, shaping the future. As a company conscious of our responsibilities, we think and act today in the interest of the world of tomorrow. We work hand-in-hand with our partners, customers and suppliers to create a livable future where people can also thrive.

"We believe that sustainability means fairness to future generations"— this quote from Michael Pieper, owner of the Franke Group, encapsulates our company ideals. We reconcile economics with ecology and make a proactive contribution to sustainable development — with long-lasting products, recyclable materials, and smart technologies. We use the global sustainable development goals and the United Nations Global Compact (UNGC) as a guide and framework on the path to a climate-neutral future.

Putting people at the heart of our sustainability

The foundation of our new sustainability strategy rests on three pillars of the environment, employees, and the company. When it comes to environment, we focus on the production and life cycles of our products.

As the market leader, creating reliable and innovative solutions with real added value is both a challenge and a source of motivation.

This exceptional quality enables customers to use our products for more than two decades — conserving resources. We also feel an immense responsibility for our employees, of which there are approximately 8,700 worldwide. Words like appreciation and trust aren't just empty phrases to us; they're deeply embedded in our company's DNA.

We help people stay healthy and make their professional aspirations a reality. Franke is synonymous with diversity, equal opportunities, cohesion, and a company culture where people want to give their best and contribute their ideas.

Good for everyone!

Good for our partners and customers.
Good for the planet. Good work.
We believe that sustainability means planning ahead. We see environmental action as an opportunity, and this attitude is also reflected in Franke's products.

Less plastic and better taste

Plastic bottles have a particularly stark effect on the environment — around the world, over 1,500 bottles end up in the sea every second. From our point-of-use faucets, the filter combines activated carbon and a high-tech membrane to reduce bacteria, lead, chlorine, residues, and sediment. Customers, therefore, have clean drinking water, which is equally good for their health and the environment.

Saving water has never been so easy

Another star in Franke's range of faucet products is the water-saving feature. This innovative technology allows you to move the handle to a position that will reduce water flow by 50%. In addition, faucets equipped with Franke's ECO cartridge are designed to limit the flow and temperature of the water.

FRANKE HOME SOLUTIONS

Solutions that work together

Our kitchens are places to live: we cook there, eat there, and spend time together there, more often than not, all at the same time. Our products all merge together in functional systems aimed to facilitate your life and please your eye, thanks to perfectly matching colors, designs, and combinations. When everything comes together, it is easier to enjoy every moment.

Food preparation areas

Faucets, sinks and kitchen accessories.

Award-winning, intelligent, eco-friendly faucets are perfectly paired with elegant, spacious sinks equipped with custom-fit accessories or other innovative tools, so you have everything you always need. Everything is manufactured in the best, most durable, and hygienic materials, for example, our stainless steel or exclusive granite.

Filtration

Cold, hot and hot/cold combinations.

Every kitchen has specific needs, so we created a range of filtration faucets that dispense filtered hot or cold water. Franke filtration faucets are considered the blueprint for faucets that go the extra step by being compatible with most reverse osmosis systems.

Inspirations

There is no place like home. And no two homes are alike. The way we cherish our own home is just as unique as we are, each one with different tastes, preferences and needs. To help you get inspired, create the kitchen environment of your dreams, and enjoy it every day, we developed two **families** of products.

Mythos

A passion for the best

Our most premium products. Technology meets design, with even the smallest details considered. This **family** sets its goal to the highest levels, combining functionality with beauty.

Maris

Family in the kitchen

A **family** inspired by families. Cozy and functional, for savoring the heartwarming experience of a **family** get together. Maris' philosophy is simple: welcome anyone, anytime, with the pride and joy of a homemade dinner.

What your kitchen will look like is up to you, but whatever your way of bringing joy home, **you can count on us**.

Maris Sinks

NEW

Usher in a new era.

Life happens in the kitchen, and your sink is at the center of the action. Whether prepping for a weeknight meal, entertaining friends and family, working from home, or cleaning up after dinner, Franke Maris Granite sinks are designed to fit seamlessly into your ever-changing lifestyle with innovative features and timeless design.

Elegance that endures

Scratch and stain-resistant granite is engineered to perform. Durable and beautiful, Maris granite sinks will retain their elegance for years to come.

Integrated for balance

With our easy-to-use integrated ledge system, you'll accomplish more with your sink while making the most of your surrounding counter space.

Versatility

Generously sized sinks are ideal for any busy laundry room or kitchen. If accessibility is a concern, the ADA compliant sinks are designed for those who need it.

Harmony comes in color

Available in a full suite of timeless colors, there's a Franke Maris Granite sink to fit seamlessly into any interior design style.

Faucets

Get to know the all-new angles of performance.

NEW

Atlas Neo

The **Atlas Neo** kitchen collection is a modern, slim, seamless design that will look great in any kitchen and is the ideal match for any sink. The pull-out spray and contemporary spout can swivel for ample sink coverage. Made from top-quality stainless steel for years of durability. Don't stop with just the faucet. Make it a suite and add the matching filtration faucets that are compatible with reverse osmosis filtration systems.

Active Semi-Pro

Sleek and functional. The **Active Semi-Pro** faucet is ideal for any style kitchen with a simplistic look. The pull-down spray can reach every corner of the sink, and the sprayer firmly connects back into place. Franke's Active faucets focus on elements from the eco-design, such as sustainable materials, quality, and durability, to deliver exceptional functionality and reduced environmental impact. Thanks to its built-in feature, the ECO Cartridge, the Active faucet range can limit the consumption of water and energy.

Eos Neo

The Eos Neo faucets combine all the advantages of a modern faucet in a straight forward design: a high, rotating spout makes food prep and clean-up easy. Press the toggle switch, and water will divert from spray to stream. The pull-down spray easily extends to reach the entire sink. When finished, the sprayer glides easily back into place and locks firmly into place. The new Eos Neo faucets are built in solid, corrosion-resistant stainless steel and equipped with a 35mm cartridge for a highly functional, long-lasting experience. Add a filtration faucet that matches the finish and style and is compatible with reverse osmosis systems.

Show what you're made of!

Shiny or matte, smooth or stonelike, extra strong or super trendy. Your kitchen can speak volumes about you, so every detail counts. To offer you the chance to create your very own perfect kitchen, our range of materials is designed to please any taste, match any style and resist any endeavor. Discover each material's precision-engineered character and unique benefits to choose the one that best suits your needs and preferences.

Granite

An exceptionally tough material, highly resistant to heat, scratches, chips, and stains. Franke has been making granite for over 35 years, and it's a unique material with a subtle sheen thanks to its 80% quartz blend. Also, only Franke's granite is enhanced with Sanitized® technology during the manufacturing process, which reduces bacteria and microbe growth by 99%. A relevant feature for our kitchens as bacteria can multiply every 20 minutes making the kitchen's surfaces highly unhygienic.

Stainless Steel

Whether you prefer the more reflective qualities of the diamond finish or the more subtle look of the silk or pearl finishes, which give a more matte sheen, there is a Stainless Steel solution for you. All Franke Stainless Steel products are made from premium quality chrome nickel steel, which looks stunning and is highly resistant to staining, rust, and corrosion. Stainless Steel is one of the most popular materials in the kitchen for a good reason.

Diamond
Pearl
Silk

White

Fireclay

Fireclay sinks have a smooth, impervious surface, which stands up to heat, staining, impacts and resists standard household chemicals with ease. Fireclay sinks have been a popular choice for years and create a classic combination with a variety of work surfaces such as wood, glass and granite.

Quality in shining armor

Beautiful and made for real-life use. Stainless steel represents our kitchen ideal.

The sheer quality of Franke products can be seen and felt. We use AISI 304 18/10 stainless steel, a choice that reflects our dedication to quality, one of our core priorities over the 100-plus years of our history.

Strong and robust, it maintains its brilliance over time, making it the defining feature of the living spaces in which it is installed.

Its superb technical features ensure that it is always in demand and highly appreciated by professionals in the haute cuisine sector. Furthermore, stainless steel is an extremely hygienic material, is easy to clean and is recyclable. Aesthetically pleasing and functional to use, stainless steel really represents quality in shining armor.

Durable

The specific concentrations of nickel and chrome in AISI 304 18/10 stainless steel render it particularly resistant to extreme temperatures. Its brilliance does not fade over time; on the contrary, its beauty and appeal only increase.

Functional

Stainless steel is the material of choice for kitchen professionals, because it is stain resistant, hygienic and safe. Its nonporous surface is extremely easy to clean.

Easy to maintain

Stainless steel is easy to maintain; just a few simple daily steps ensure that it remains a joy to use over time.

Sustainable and ecological

Stainless-steel is an environmentally friendly material that is 100% recyclable.

Culinary Center

Functional, beautiful organization.

Culinary Center is the perfect synthesis of cutting-edge technology and design, marrying classic and contemporary styles.

Packed with built-in features that put everyday tools at your fingertips as you work. Each element is organized according to a highly functional approach.

A place for everything

The double-bowl Culinary Center features essential accessories built right into the sleek design. When tasks are complete, everything stores neatly into this well-thought-out system.

Details matter

The custom-fitted accessories compartment allows you to dry and store the tools you use most, so they're ready when you need them, creating a functional organized kitchen workstation with everything in its place.

Designed for the way you work

The Culinary Center's two cutting boards, colander and draining rack are easily removed and positioned to fit the work-flow that's most efficient for you. Rinsing, draining, chopping, dicing and slicing are a snap when the right tools are at hand.

Workcenters

Creating a defined space in the kitchen.

A total kitchen solution

Franke Workcenters transform how you go about your daily meal prep and cleanup. They are functional and maximize efficiency while minimizing movement. A Workcenter sink offers multiple kitchen tools to wash food, chop, prep, clean up, dry dishes and more. It consolidates separate areas of your kitchen into one space.

Perfect workflow

Franke Workcenters support your entire food preparation by creating your own modular, innovative and design-oriented sink center.

Minimize chaos

The kitchen is the busiest place in your home. Franke Workcenter provides all the essentials needed for food prep or impromptu meals.

Limit cross-contamination

Kitchen sinks handle many tasks that might not be very sanitary. A Franke Workcenter can organize your sink to allow you to keep food prep items separated. It helps keep your food and kitchen more hygienic and reduces the chances of cross-contamination.

Fully equipped

Space-saving integrated tools offer plenty of room for prepping over the sink, freeing up counter space for other activities.

Peak

A passion for details.

Elegantly simple and exceedingly functional, the Peak collection exudes luxury. Clean lines and the 5 mm corner radius maximize bowl space. The square drain cover complements the minimalist design while obscuring the strainer basket.

More usable workspace

The removable drain cover conceals the drain for a seamless bowl surface, while providing a uniform bottom surface.

Premium materials

Made of 16 gauge stainless steel with a Diamond finish that will retain its beauty for many years.

Multi-level workspace

The bottom sink grid raises to sit on the integrated ledge, creating a higher level workspace to expand your prep, clean and rinse area.

Optimized performance

Seamless workflows, from prep to cook to clean. Unobstructed surfaces and smart layouts, optimized for preparing any meal.

Total kitchen solution

A complete kitchen solution, with a sink that makes sense and tools exactly where you need them, built for the way professionals work.

Professional

Luxury at its best.

The Professional is an engineering masterpiece and raises the bar for premium sinks. This kitchen sink features an integrated accessory ledge that allows accessories to glide over the sink and a concealed drain that stops stemware from falling over.

It also boasts sleek, sculptural lines made of 16-gauge commercial stainless steel with a Diamond finish that highlights the sink's beauty.

Integrated accessory ledge

Allows accessories to work within the sink, creating a seamless workflow to make food prep a pleasure.

Rear drain cover

The removable drain cover conceals the drain for a seamless sink surface, while the rear placement provides extra cabinet space beneath the sink.

Deep capacity bowl

A large deep sink makes it easy to clean large cookware items and minimizes splashing, offering the form and function you expect from your sink.

Crystal

Style and timeless simplicity.

Perfect symmetry

An exclusive combination of stainless steel and glass crafted to meet the most demanding standards in modern aesthetics. Each element is highly functional and beautifully shaped to add elegance and character to your kitchen.

Concealed drain cover

Not only beautiful but also extremely functional. More versatile thanks to its concealed drain cover which provides more usable space in the sink.

Commercial-grade stainless steel

Made of 16-gauge stainless steel with a Diamond finish that will retain its beauty for many years.

Reversible installation

An invisible drain is located on the side of the sink bowl and can be installed with either a left or right side drain hole (single bowl sinks only), allowing for more room beneath the sink.

Note: All accessories sold separately unless otherwise indicated. Design of custom accessories subject to change without notice. It is absolutely critical that you have the sink and any custom sink accessories on-site prior to any cut or modification to the countertop. Franke will not be responsible for any errors in countertop preparation and sink installation.

Pescara

The perfect family sink.

The Pescara collection has it all. Featuring an integrated accessory ledge that allows food prep to happen over the sink, the Pescara collection has been finished with a Pearl finish, providing a lustrous sheen. Functional as a food preparation and cleaning station, and to prepare meals for family and friends.

Fully equipped workcenter

Create a workspace that is as beautiful as it is functional. Our space-saving integrated kitchen tools offer plenty of room for prepping over your sink, freeing up counter space for other cooking activities.

Multi-level workspace

The shelf grid sits conveniently on the integrated ledge system, creating a higher level workspace. Expand your workspace when you prep, rinse and clean.

Concealed drain cover

The removable drain cover conceals the drain for a seamless bowl surface, while providing a uniform bottom surface to allow for more usable workspace.

Sound dampening system

The sound dampening pads and spray coat reduce excess noise from running water and disposal vibration.

Orca 2.0

A favorite for generations.

The iconic Orca sink is indispensable in the kitchens of home cooks and professional chefs alike. It has long been recognized for its unique design and functionality, thanks to its integrated ledge system that creates a multitiered bowl suitable for food preparation and cleaning.

Optimize efficiencies

The Orca 2.0's double-tiered design combines the functions of prepping, serving, and cleaning into one work center. Turn the shelf grid into a drying rack while still allowing ample bowl space for washing dishes.

Large capacity sink

The extra room of this generously sized sink will make washing larger items easier. Lay a cookie sheet or roasting pan entirely flat on the bottom of the sink for soaking and cleaning.

Multi-functional space

An efficient prep zone in the kitchen is a must. One way to achieve this is by adding a Franke Orca 2.0 to your kitchen. The Orca 2.0 supports functions in the kitchen by offering an additional workspace and freeing up counter space.

Note: All accessories sold separately unless otherwise indicated. Design of custom accessories subject to change without notice. It is absolutely critical that you have the sink and any custom sink accessories on-site prior to any cut or modification to the countertop. Franke will not be responsible for any errors in countertop preparation and sink installation.

Cube

Creating a defined space in the kitchen.

Design and functionality

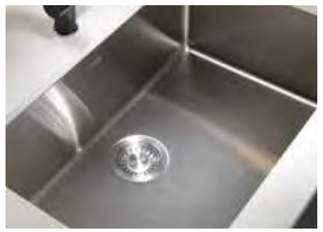
With something to suit every home, the Cube is available in a wide range of sizes and bowl configurations. The Cube sink collection paired with the All-In accessory systems are an ideal marriage of design and functionality, and they address a high-level segment of kitchen lovers with a minimalist approach.

Deep capacity sink

A sizeable deep bowl makes it easy to clean cookware and minimizes splashing, offering the form and function you expect from your sink.

Optimal corner radius design

The 12mm corner radius of the sink is simple, contemporary and easy to clean.



Efficient drain

The sloped bottom bottom creates efficient draining, and the rear drain placement provides additional storage below the sink.

Pearl finish

A durable, resilient finish that will stand up to heavy everyday use.

Made to last

A durable and beautiful choice, Franke`s granite sinks are made from up to 80% natural quartz sand, making them one of the hardest materials in the world

Quartz sand is delivered to the factory in various colors, which create the finished color of each sink. However, all our sinks reflect the latest kitchen color trends and echo your style and taste, with calming and classic neutrals that have never lost their appeal. We know what matters most in the home — beauty, functionality, simplicity. It is a hardworking haven that nurtures our spirits and promotes our well-being.

NEW

Usher in a new era.

Home in harmony

We've entered a new era of living, where balance means everything. In this age, we don't just hope for harmony, we create it. Through clever features, unparalleled function and elegant design, Franke Maris granite sinks are created to empower your contemporary idea of balance.

Make your space work for you

With a low-divide sink you can keep your kitchen in check. The double bowl allows you to multitask with ease, while the low divide creates a larger single bowl that is perfect for cleaning cookware and bakeware.

Integrated for balance

Organization is at the heart of balance. With our easy-to-use integrated ledge system, you'll accomplish more with your sink while making the most of your surrounding counter space.

Add a strainer

For an additional $65 to the list price ($130 for double bowls), add a 1145 strainer basket to any Maris sink on the following pages. Simply add "-S" to the end of the model number. ie: MAG11023-PWT-S.

A fresh start in every detail

Beautiful granite finishes are enhanced with Sanitized® technology that works consistently to neutralize odors and reduce bacteria and microbe growth by 99%. A safer home for you and your family starts with cleaner surfaces.

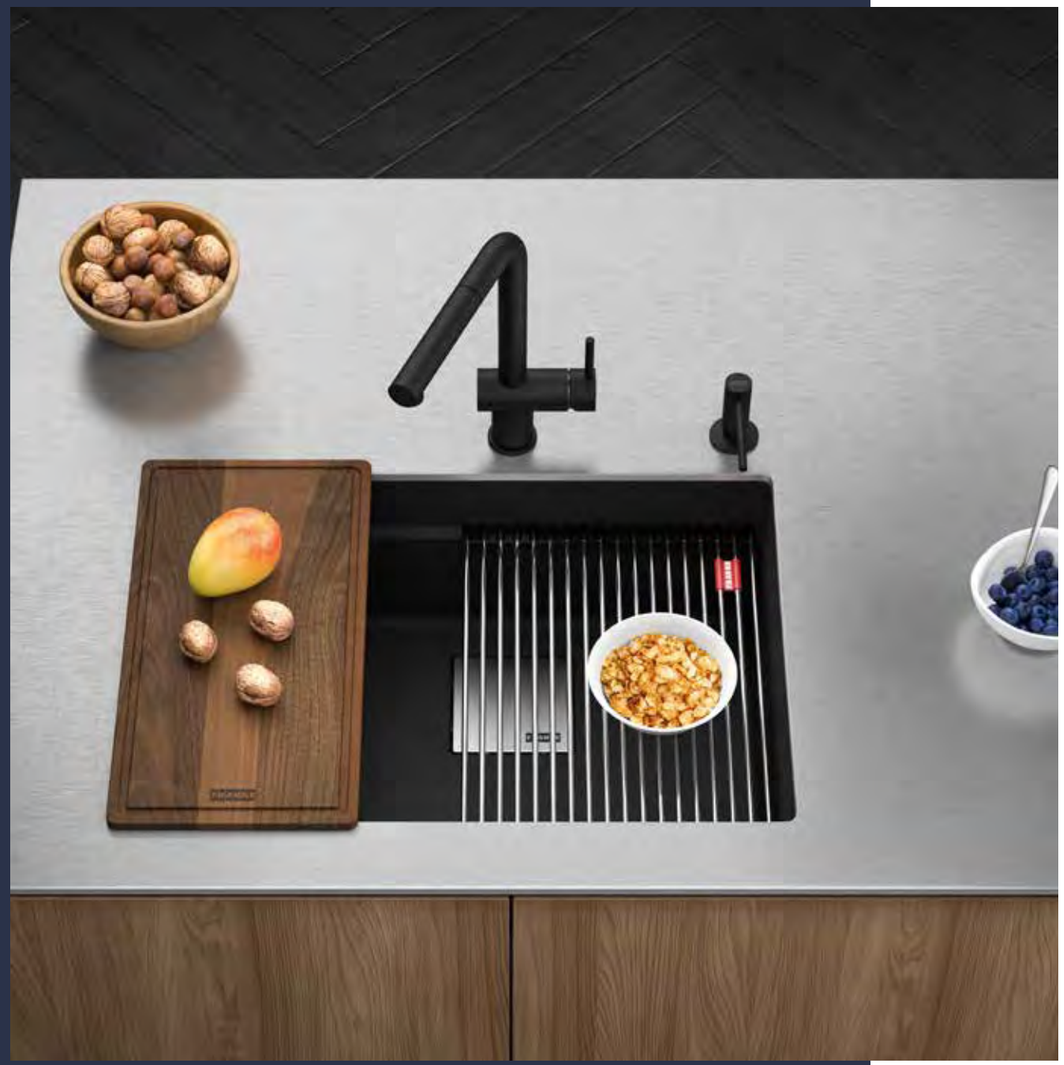
ADA Compliant: Product is compliant with the American Disabilities Act when properly installed.

Note: All accessories sold separately unless otherwise indicated. Design of custom accessories subject to change without notice. It is absolutely critical that you have the sink and any custom sink accessories on-site prior to any cut or modification to the countertop. Franke will not be responsible for any errors in countertop preparation and sink installation.

Workcenters

Optimize every inch of your sink.



Elevate your space

Today the most important kitchen accessories become part of the sink and accessible all the time. The granite workcenter sink and accessories create a unique kitchen solution for people who demand efficiency and optimum use of space.

Optimize efficiency

The purpose of the Workcenter is to support functions in the kitchen by offering an additional workspace and freeing up counter space.

Multi-functional workspace

Space-saving integrated kitchen tools offer plenty of room for prepping over your sink, freeing up counter space for other cooking activities.

Made to handle everyday tasks

Able to withstand temperatures up to 536°F to protect against thermal shock, discoloration, and cracks from hot pots and pans. Scratch and stain resistant Maris granite sinks are engineered to perform.

Peak

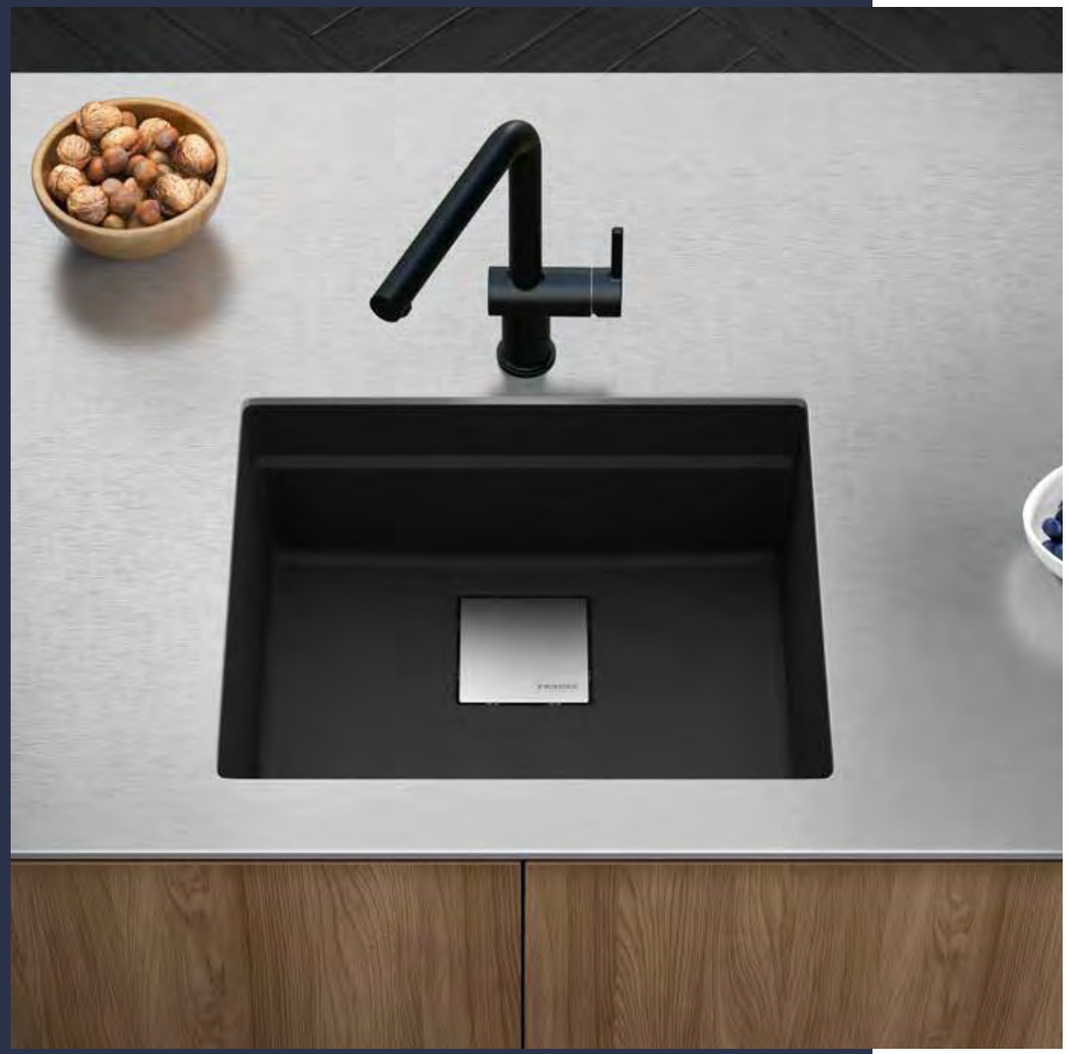
Flawless features.



Precise and elegant in style, this premium range of sinks will compliment those with a flair for contemporary and minimalist design. With a tighter 10 mm sink corner radius, and a flush waste cover, Peak is sure to integrate seamlessly into your kitchen area and bring everything a modern cook requires: attention to detail and absolute elegance.

A place for everything

Our Sanitized® technology makes your sink bacteria resistant — an added plus for busy kitchens and active families.

Versatile workspace

The roller mat offers a wealth of uses for rinsing produce or drying dishes. It can also be used as a trivet for hot cookware or as a plating area.

Optimize every inch of your sink

This intelligent workcenter system provides all the essentials needed for food prep or impromptu meals. It was designed for multitasking and seamlessly blends into the most active area in the house: the kitchen.

Ellipse

The perfect sink for families.

Available in several configurations, there's an Ellipse sink that's perfect for your space. Franke granite sinks are made from 80% quartz, the hardest component of granite, and bonded using high-quality acrylic resins for a sink that will serve you for years to come.

Versatile installation

Ellipse has installation options to suit any kitchen style, from a seamless-finish undermount to an easy-to-install topmount.

A natural beauty

The collection is offered in a variety of warm, sophisticated and enveloping shades, inspired by natural elements.

Easy to maintain

Franke granite sinks are resistant to temperatures up to 536° F and impact and thermal shock. They are also stain-resistant — even red wine will not leave a mark.

Always colorful

Thanks to UV protection, the granite's beautiful color will not fade, ensuring long-lasting use.

Fireclay Sinks

150	Farm House
154	Manor House
158	Cisterna

A lifetime of service

Fireclay is entirely natural, very stylish and amazingly practical. We apply a dirt-repellent finishing polish, which means that any mess, tea or red wine can simply be wiped away with a little soapy water.

SILKY SMOOTH GOOD LOOKS

Fireclay sinks combine beautifully with a variety of work surfaces, such as wood, glass and granite. It's a durable choice that easily stands up to heat, staining and impact with ease.

HOW YOUR FIRECLAY IS MADE

Liquid ceramic consisting of quartz, china clay and kaolin is injected into a mold under high pressure. Prior to drying, surface imperfections are smoothed with soft sponges and a level surface is created with water. The final drying process involves 20 hours in a tunnel kiln at 2,200°F. At every stage, each sink is subjected to stringent quality checks performed by experts to make it Franke approved.

Farm House

Classic elegance.

Farm House sinks portray sophisticated elegance from every angle, featuring a sleek flat front panel for added style. Franke's apron front Farm House sinks are made of durable fireclay for a smooth, polished finish that's both durable and easy to clean.

Easy to clean

A dirt-repellent finishing polish keeps stains like tea and red wine at bay, allowing them to be wiped away with only soap and water.

Spacious deep bowl

Maximizing sink capacity, Farm House offers deep bowls to give you the space you need to complete tasks with ease.

Designed for comfort

The apron front design enables the user to stand directly in front of the basin, with no cabinets or countertop in between, making it comfortable for prepping food and cleaning up.

Manor House

Designed for endurance.

Villeroy & Boch brings centuries of excellence to the handcrafted beauty of Manor House apron front sinks. Scratch-resistant and hygienic fireclay offers the most-desired qualities in today's kitchens.

Apron front design

The apron front design enables the user to stand directly in front of the basin, with no cabinets or countertop in between, making it comfortable for prepping food.

A natural beauty

The CeramicPlus coating causes liquids to bead on making contact with the sink's surface, repelling dirt, limescale and other residues, which are easily wiped off.

Highly durable

Fireclay is an extremely tough, scratch-resistant surface that is impervious to acids and bleaches.

Stain resistant

We apply a dirt-repellent finishing polish, which means that any mess, tea or red wine stains can simply be wiped away with a little soapy water.

Cisterna

As beautiful as they are functional.

Created by Villeroy & Boch with a classic design offered in three sizes, the Cisterna fireclay sink is a perfect fit for the kitchen and beyond. Use the smallest size as a bar or prep sink — or pair it with a larger size to create a unique two-bowl design.

Exceptionally durable

Liquid ceramic undergoes a thorough refinement and firing process resulting in a beautifully smooth, hard-wearing, highly durable sink.

Sound absorbing

Fireclay is a naturally sound-absorbing material that reduces the noise caused by a garbage disposal or running water.

Simply stain resistant

Don't worry about red wine, coffee and other food stains. The CeramicPlus finish makes our fireclay sinks simple to clean. Soap and water are all it takes.

Faucets to the highest standards

From extravagant to the purist. From industrial black to polished chrome. Whether you prefer a semi-pro, pull-out, or filtration, the Franke faucet range meets every kitchen's needs. Your favorite Franke faucet will perfectly match your ideal Franke sink.

Stainless steel

Outstanding quality comes together during the Franke manufacturing process. Stainless steel material is used throughout the faucet, both inside and out. The interior stainless steel component's durability exhibits longevity that other materials cannot. Franke uses 100% lead-free stainless, so you can be assured it will not release into the water when it comes out of the faucet. The aesthetically pleasing look is corrosion and tarnish-resistant and has a naturally hygienic surface.

Water saving feature

Conserve natural resources and trim your water bill with Franke's water saving feature. Move the handle to the first position for a water-saving 50% flow. Moving the handle to the second position allows for 100% flow. Look for faucets with the water saving feature icon, as not all faucets have this feature

Quality assurance and certifications

Franke faucets are manufactured under the supervision and testing of local and international certifying bodies, including CSA, IAPMO, ICC, and NSF. All Franke faucets meet the requirements of the Federal Safe Drinking Water Act, NSF372, NSF61, AB100, and ASME A112.18.1\CSA B125.

Make your statement

Franke offers a large selection of premium faucet materials and finishes to complete the design statement in your well-appointed kitchen. Complement or contrast your sink or appliances with one of 11 available finishes from Matte Black for a sophisticated, modern appeal to earthy Stone Grey or our NEW Gold finish to accent cabinetry and countertops.

Franke stainless steel faucets do not have a coating or finish. They are manufactured with durable 304 and 316 stainless steel resulting in a surface resistant to wear and abrasion and ensuring a lifetime of function and satisfaction.

Icon

A legend in the making.

Combining contemporary design, inspired by nature plus a host of wonderful features, Icon is the perfect balance of aesthetics and functionality. The Icon pull-out and semi-pro faucets feature a Neoperl Laminar aerator to reduce splashing.

Effortless control

The single handle lever controls the water flow as needed with a simple movement.

Slim body and high spout

The high spout and sleek design with a 360 swivel spout offers plenty of space when working with large cookware. The pivoting sprayhead offers both stream and spray water flows.

ADA Compliant: Product is compliant with the American Disabilities Act when properly installed. All faucets can accommodate at least 1-3/4" countertop thickness. Several can accommodate up to 3". Call for additional thicknesses. Recommended Pressure Range: 15-75 PSI. All Franke filtration faucets have been certified to comply with NSF61NSF/ANSI/CAN 61: Q ≤ 1 and NSF372 drinking water system component requirements. All new Franke filtration faucets have been certified to NSF 58 for use with Reverse Osmosis filtration systems. These requirements meet California Health and Safety Code requirements for low lead (AB1953) as well as the low lead requirements of the US Safe Drinking Water Act. Franke faucets also meet the water efficiency requirements of the California Energy Commission and the US Department of Energy.

Atlas Neo

Modern design, built to last.

NEW

The Atlas Neo stainless steel material gives you the benefits of high performance and low maintenance. The material is corrosion-resistant, scratch-proof, and stain-resistant. Stainless steel has a hygienic, non-porous surface that is resistant to bacteria and germs. This faucet will give years of performance and service, making it a perfect solution for everyday sustainability.

Features and benefits

Single side lever

The linear side lever functions well in a variety of installation configurations. It can be rotated through 0 to 180° for easy and precise adjustment of water flow.

Pull-out spray

The pull-out head offers easy maneuverability for any cooking or cleaning task.

Laminar aerator

High quality laminar aerators help to reduce the air in the water stream producing a consistent water flow that is non-splashing.

Steel

The perfect stainless steel faucet.

The Steel faucets are built in solid, corrosion-resistant stainless steel and equipped with a 35mm cartridge for a highly functional, long-lasting experience. The single-lever handle offers you the exact amount and temperature of water in one twist.

Features and benefits

Full coverage swivel

The 360 degree swivel spout generates a full range of motion, allowing you the flexibility to reach almost any area of your sink. The tall arch design offers exceptional space for cleaning or filling large pots and pans.

Dual function spray head

Delivering a more powerful stream thanks to the needle spray used, it is easier to rinse fruit and vegetables, as well as remove stubborn food from dishes. The stream can also reach every part of the sink, making it easier to clean.

Complete collection

Complete the look with a Eos Neo filtration faucet.

Active Faucet

Exceptional design, inside and out.

Stylishly sustainable

ECO Cartridge uses up to 50% less water

Our Active faucets offer the best of both worlds — design and sustainability. With three design options, available in a range of stunning contemporary finishes, the appeal is obvious.

The secret to this performance is the environmentally beneficial ECO cartridge, which is designed to limit both the flow and temperature of the water.

Eos Neo

NEW

Modern clean lines.

The Eos Neo combines all the advantages of a modern faucet in a straightforward design: a high spout for cleaning vegetables and filling big pots easily. The single-lever mixer offers you the exact amount and temperature of water in one twist.

Perfect water flow

The handle has a 0 - 90 degree movement for a perfect temperature and water flow control.

Solid 304 and 316 stainless

The Eos Neo faucets are contructed with 304 and 316 stainless steel that is corrosion resistant inside and out.

Pull-down spray head

The pull-down spray head can be used with stream or a powerful spray for more efficient cleaning.

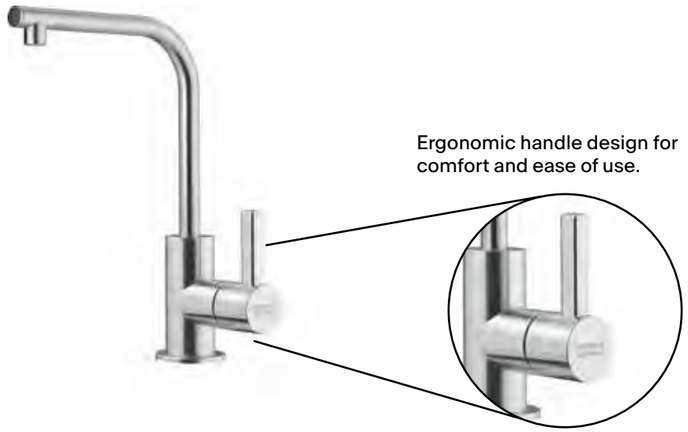
Water Filtering

204 Atlas Neo NEW
205 Eos Neo NEW
206 Accessories and Filters

Filtration

Refresh what's possible.



In home water treatment provides the final barrier of protection to prevent contaminants being ingested by you or a family member. Atlas Neo and Eos Neo provide in home at the faucet water filtration, so you can be sure that the quality of water you drink and prepare your food with is safe.

Features and benefits

Full-service suite

Today's kitchens are the hub of the home, and many homeowners are seeking unique, complete design choices in every area. Atlas Neo & Eos Neo offer a fully integrated design and wellness solution.

Stainless steel construction

Made from 100% stainless steel inside and out, Atlas Meo and Eos Neo are durable, lead-free, and easy to maintain. The non-porous material is resistant to bacteria and germs, making it a more hygienic choice for the kitchen.

Reverse osmosis compatible

For those who no longer want to choose between design and wellness, Atlas Neo and Eos Neo filtration faucets are designed to work with reverse osmosis systems.

Coordinating styles

Atlas Neo and Eos Neo filtration faucets are proportionately sized and styled to match the faucet. Both offer a minimalist design and available n four finishes; stainless steel, polished chrome, industrial black, and gold.

Sustainable solutions

A franke water filtration system reduces the need for plastic bottles which is good for the enviornment.

Filtration System

High performance filtration systems designed to deliver pure, great tasting water.

Carbon block made of coconut carbon

- Reduces chlorine, pesticides, herbicides, and toxic chemical as well as improves taste and odor
- Coconut carbon is the most effective way to remove contaminants
- Retains high oxygen of spring water

Eco-friendly cartridges

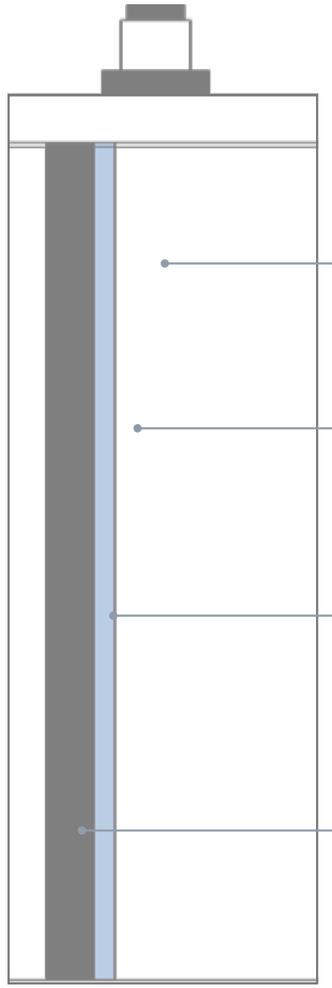
- 100% natural and recyclable materials
- Longer life through higher capacity
- Franke filter lasts 600 gallons

Excellent filtration

- 0.5 Sub micron filtration
- Self-sterilizing ceramic imbedded with silver
- Removes pathogenic organisms (E Coli, Salmonella, Cholera, etc.)

Four Stage Filter

Franke four-stage filters combine multiple technologies to remove contaminants in the water, to deliver up to 600 gallons of fresh drinking water straight from the filtration faucet. NSF53 and NSF42 certified.



Stage 1

Microfiltration

Ceramic outer layer

Stage 2

Antimicrobial effect

Composition of the ceramic matrix inhibits microbiological growth

Stage 3

Activated carbon core

Removes chlorine, VOC's, improving taste and odor via the coconut carbon block

Stage 4

Heavy metal reduction

Select filters contain media to effectively reduce lead

ADA Compliant: Product is compliant with the American Disabilities Act when properly installed. All faucets can accommodate at least 1-3/4" countertop thickness. Several can accommodate up to 3". Call for additional thicknesses. Recommended Pressure Range: 15-75 PSI. All Franke filtration faucets have been certified to comply with NSF61NSF/ANSI/CAN 61: Q ≤ 1 and NSF372 drinking water system component requirements. All new Franke filtration faucets have been certified to NSF 58 for use with Reverse Osmosis filtration systems. These requirements meet California Health and Safety Code requirements for low lead (AB1953) as well as the low lead requirements of the US Safe Drinking Water Act. Franke faucets also meet the water efficiency requirements of the California Energy Commission and the US Department of Energy.

133.0361.288
$60

How to determine which filter to order if the replacement filter model number is not identified on the canister:

1. Locate the serial number on your canister
2. If the serial number begins with FR then order the FRX02 filter set
3. If the serial number begins with FRC then order the FRC06, and FRC09 filter set

FILTRATION CRITERIA	PRIMARY FILTERS		PRE-FILTERS
	FRX02	FRC06	FRC09
Reduces Chlorine	X	X	
Reduces Particulates and Turbidity	X	X	
Reduces Cysts (Cryptosporidium)	X	X	
Reduces Bacteria (E Coli)	X	X	
Reduces Insecticides and Herbicides	X	X	
Reduces Lead	X	X	
Reduces Sediment			X

Kitchen Solutions

212 All-In
216 Soap Dispensers
218 Waste Disposers
226 Colorline
228 Accessories

It all comes together with ALL-IN

The all-in solution for chopping, draining, washing and store your preparations. Transforming any sink with a bowl dimension of up to 21 ¼" into a stylish and playful workstation, All-In is the flexible food preparation system designed to bring more flow to your kitchen and life

Eight accessories, endless uses, fits any sink*

*Up to 21 ¼"

Prepare

Using the bamboo board, telescopic bridge, colander, and collector bowls, All-In can help you:

- Chop vegetables and other ingredients
- Collect the cut food
- Collect peeling and handle waste
- Store prepped ingredients in the fridge

Cook

The bridge, colander and foldable mat are really useful at the cooking stage and you can:

- Rest pots and pans on the bridge while filling them from the faucet
- Use the colander to drain pasta, or other ingredients
- Stand hot pans and dishes on the foldable mat to protect work surfaces

Clean

When it's time to wash up, the bridge, colanders, and foldable mat can also help you to:

- Drain glasses and dishes
- Drain cutlery and cooking utensils

Tidy

Once the washing up is finished, All-In can still help you to tidy everything away, whether it's to:

- Store cleaning items in the sink
- Keep all accessories together in the storage container
- Put everything away neatly in your kitchen cabinets

EIGHT ACCESSORIES, ENDLESS USES

1. Featuring extendable stainless steel rails with durable handles that will adjust to fit bowls up to 21¼". Incorporates small feet that sit against the sink edge to ensure a stable fit.

2. The perfect size to accommodate slicing, dicing, chopping, and more. The chopping board fits securely into the bridge or can be used on the countertop.

3. Made from Sanitized® Polypropylene, the large colander allows you to do all your rinsing fruits and vegetables and draining pasta over the sink.

4. Pair the small colander and prep bowl in the bridge for a multi-purpose prep station. The colander is perfect for rinsing, and the bowl is ideal for collecting stems or peels.

5. The small bowl can be used for collecting prepared ingredients and storing them in the fridge. Equally, it can be used for collecting peelings and dealing with waste during preparation.

6. Placed securely on top of the small bowl, the bamboo lid can help to keep food fresh.

7. Foldable for easy storage and an inclined surface for use as a dish drying mat that channels water back into the sink.

8. Accommodates and stores the All-In accessories in one place so that everything is easily accessible for your meal prep.

Waste Disposers

Designed to liquefy organic waste so it can be harmlessly flushed into the sewer, returning biodegradable materials back to the earth. Waste Disposers are discreet, easy to install and energy and water efficient. Equipped with an antimicrobial agent, Bio Shield,® that will reduce odor causing bacteria, and the SilverGuard®* feature that offers a magnetic rim to prevent metal objects from falling into the disposer.

*On select models

SilverGuard®

In a perfect world, only food waste falls into the disposer, but we know this is not every day life. Sometimes things fall in that shouldn't. So we've added SilverGuard® — a magnetic rim that keeps metal objects from falling into the disposer.*

*On select models

Powerful, efficient motor

Full torque at initial revolution uses less water and electricity and gets the job done quickly.

Easy to install

Three bolt mounting system for a fast easy installation.

GENERAL
- Products may only be sold and advertised within the United States of America. Franke hereby expressly prohibits the dealer from soliciting or consummating sales outside of the United States of America without prior written consent.
- Products shall only be sold in their original packaging. Relabeling, repackaging (including the separation of bundled products or the bundling of separate products), and other alterations are not permitted.
- Sale of Franke products on the Internet shall be prohibited unless resellers apply and are approved by Franke Kitchen Systems, LLC, and execute an Authorized Internet Reseller Agreement regulating the manner in which they sell online.

ORDERING
- Once an order has been acknowledged, no changes (including additions or cancellations) will be accepted.
- Order acknowledgments are available via email. An email address must be provided to receive this benefit.
- Standard lead time for shipment is one to five (1-5) business days from receipt of order.

STANDARD PAYMENT TERMS
- Net 30 days.
- Early payment discounts are not applicable for payments via credit card.
- Franke reserves the right to charge interest and an administration fee on late payments.

PRICING
- Please refer to the electronically published price list (EPL). Orders will be priced with the prevailing price at the time the order is placed.
- Prices are subject to change without notice. Franke will attempt to provide reasonable lead time for pricing changes.

CLAIMS / CHARGE BACKS
- Damages/Shortages must be reported within ten (10) days of receipt of merchandise.
- Charge backs will not be accepted without an authorization number (RMA), provided by a Regional Sales Manager, Distributor, or Customer Service.

RETURNS
- No returns will be accepted without a return authorization number (RMA).
- Return authorization requests must be submitted through Rep/Regional Manager.
- A 25% restocking fee will be charged for ALL returns of product that was not damaged or mis-shipped.
- No returns will be accepted more than 180 days from original invoice date.
- No returns will be accepted on discontinued (DWO) or obsolete product.
- Franke reserves the right to refuse returns without reason.

FREIGHT
- Pre-paid freight/Free freight allowance (FFA)
  - USD 2,900 is the minimum order value for FFA
  - All product lines, including parts, can be included in freight qualification calculations.
  - All Display and Literature orders will be shipped with pre-paid freight status.
- Flat Rate Shipping
  - Any order shipping parcel containing standard products will ship for $25 flat.
  - Orders >150 lbs. are shipping LTL and are charged according to weight/dimension.
  - Orders containing Fireclay sinks are charged USD 150 for up to 2 units and USD 300 for up to 4 units.
  - Other: standard shipping rates apply for Fireclay orders greater than 4 units and any parts only orders.
  - Franke reserves the right to modify these terms at any time.
- Other freights terms
  - Franke will attempt to fulfill requests to expedite shipping. Customers will be responsible for additional freight charges. Contact Customer Service for all expedited shipping requests.

Terms & Conditions

- Drop shipment of internet orders is not available. All Internet Sales must be shipped from an Authorized Internet Reseller's location. Drop shipment is offered within 100 miles of customer's place of business, or within customer's state or a bordering state.

BACK ORDERS
- Back order shipments will match freight qualifying status of original order.
- Back ordered product will be considered an active order unless customer requests cancellation.

FRANKE HOME SOLUTIONS WARRANTY
EFFECTIVE JANUARY 21, 2022

In the United States, Canada and Latin America, Franke warrants the products from manufacturing defects in material and workmanship when purchased from Franke or a Franke Authorized Retailer pursuant to product-specific warranties detailed herein (each, a "Warranty" and collectively, the "Warranties"). The products must be properly installed, per company's installations instructions, in its original installation, and used in normal indoor residential kitchen applications. Any products or components which have been modified or altered, from its original intended condition will void the warranty. The Franke Warranties are limited to the original purchaser and are non-transferrable. These Warranties do not include products purchased from non-Authorized Retailers, products that are obsolete or discontinued, or products that were previous display models. All issues with installed products are considered warranty claims and not subject to the Return Policy. Franke reserves the right to inspect any product reported to be defective and the original installation prior to providing a replacement product and/or component. All decisions are final. In no situation shall the liability of Franke exceed the amount of the original purchase price.

The Warranties do not cover, and Franke shall not be liable for, any damage to products or components resulting from misuse or abuse, accidental damages, normal wear such as scuffs, scratches or finish reduction/fading; improper installation, abnormal usage, negligence, damage caused by improper maintenance or cleaning. Damage caused by impurities, corrosive chemicals or acts beyond Franke's control are not covered by any Warranty.

Franke product replacements do not include transportation, shipping, diagnosis, labor, installation, removal, disposal for any products or liability for project delays. Product replacements are not guaranteed to be exact replacements. The owner of a product is liable for any transportation and re-installation costs related to any warranty for such product. If the original product is not available at the time of the warranty claim, at Franke's option, the product replacements will be of similar size, material, and value.
Any products or components which have been modified or altered, from its original intended condition will void the warranty.

The Warranties do not allow recovery of incidental or consequential damages such as loss of use, delay, property damage or other consequential damage, and Franke accepts no liability for such damages. Each Warranty is limited to the conditions set forth herein and to the applicable warranty period specified herein and is exclusive. EXCEPT FOR THE WARRANTIES SET FORTH HEREIN, FRANKE MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE PRODUCTS, INCLUDING, BUT NOT LIMITED TO, (1) ANY WARRANTY OF MERCHANTABILITY, (2) WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, (3) WARRANTY OF TITLE, OR (4) WARRANTY AGAINST INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE. LEGAL DISCLAIMER PLEASE READ CAREFULLY. Franke Kitchen Systems LLC/Franke Kindred Canada Limited provides the above information to you as a public service to our customers. By accessing and using this information, you agree to the following and to comply with all applicable laws. If you do not agree with these terms and conditions, do not use this information. While we try to keep the information current, changes may have occurred since its creation. Contact your Regional Manager or Customer Service to verify information regarding Franke Kitchen Systems/Franke Kindred Canada programs and their use by you.

Quick Reference

Franke Residential Stainless, Granite and Fireclay Sink Limited Lifetime Warranty:
Franke warrants that each Franke sink will be free from manufacturing defects in material and workmanship for the lifetime of the sink when used in standard residential indoor applications. The warranty covers sinks installed in its original installation per Franke installation instructions in residential applications using conventional or solid surface countertop.

Franke Residential Disposal Limited Warranty:
Franke warrants that disposers are free from manufacturing defects in material and workmanship for the period ranging from two (2) years to Limited Lifetime as documented in the annual product catalogs and/or instructions included with the products.

Franke Residential Faucet Limited Lifetime Warranty: Franke warrants that mechanical components (body, handle and spout) in all faucets purchased after January 1, 2003, will be free of manufacturing defects for the expected lifetime of the faucet. Franke shall not be liable for any damage caused by normal wear and tear to wearable parts of the faucet. The expected useful lifetime of wearable parts is; one (1) year: aerator, o-rings; five (5) years: cartridge, hose, electrical components; ten (10) years: spray head. The wearable parts can be purchased as spare parts from Franke or their Authorized Retailers. Franke warrants the chrome finishes on Franke faucets will be free of manufacturing defect for the lifetime of the faucet; and all other finishes on Franke faucets will be free of manufacturing defects for five (5) years from the original date of purchase. Faucets purchased prior to 2003 are subject to the warranty in place at time of purchase.

Franke Residential Filtration Limited Warranty:
Franke warrants mechanical components in filtration faucets, filtration canisters, filters and filtered water temperature modification devices; heating tanks and chillers, to be free from manufacturing defects in material and workmanship for the period ranging from one (1) year to ten (10) years as documented in the annual product catalogs and/or instructions included with the products.

Franke Residential Soap Dispensers Limited Warranty:
Franke warrants that Franke soap dispensers are free from manufacturing defects in material and workmanship for a period of five (5) years from the date of purchase. Such warranty does not cover damage caused by the use of aggressive soaps or chemicals.

Franke Residential Accessories Limited Warranty:
Franke warrants that Franke accessories, including, but not limited to bottom grids, shelves, waste kits, colanders, chopping boards are free from manufacturing defects in material and workmanship for a period of one (1) year from the dates of original purchase.

Franke Residential Outdoor Installation Limited Warranty:
Specific Franke products noted below are engineered for outdoor applications. These products are warranted to be free from manufacturing defects in material and workmanship for outdoor installations for ten (10) years from the date of purchase. Stainless Sinks: ODX110-2310-316 and ODX110-2312-316 and Stainless Faucets: FF3352 and FF3452SS

This warranty supersedes all other warranties, expressed or implied. No employee, field sales representatives, or distribution persons are authorized to give any warranties on behalf of Franke Kitchen Systems, LLC or Franke Kindred Canada Limited.

To make an installed product warranty claim please contact Franke at the provided contact information below. All warranty claims must include the following for processing:

1. Proof of purchase from Franke or Franke Authorized Retailer
2. Original purchaser's name, address (included city, state, zip), email address and phone number
3. Franke model number
4. Date of installation
5. Description of the defect
6. Photos of the defect

LEGAL DISCLAIMER

Please read carefully.

Franke Kitchen Systems, LLC provides the above information to you for as a public service to our customers. By accessing and using this information, you agree to the following and to comply with all applicable laws. If you do not agree with these terms and conditions, do not use this information. While we try to keep the information current, changes may have occurred since its creation. Contact your Regional Manager or Customer Service to verify information regarding Franke Kitchen Systems, LLC programs and their use by you.

Copyright and Other Intellectual Property Rights. This document and our website are protected by copyright pursuant to U.S. copyright laws, international treaties, and other copyright laws. This document and our website contains copyrighted material, trademarks, and other proprietary information of Franke Kitchen Systems, LLC and others (collectively "Proprietary Material"), which may include, but shall not be limited to: text, software, photos, video, graphics, images, music and sound. You may not modify, publish, copy, transmit, participate in the transfer or sale of, create derivative works of, or in any way exploit, in whole or in part, any Proprietary Material without the prior written authorization of Franke Kitchen Systems, LLC or the applicable rights holder.

Changes. We may change these terms and any part (or all) of the information enclosed at any time without notice. Any changes will apply to your future use, so you should contact your Regional Manager or Customer Service periodically. If you use this information after any changes to these terms, then you accept those changes.

Choice of Law. We are a Delaware limited liability company and these Terms and Conditions, and the purchase of products from Franke Kitchen Systems, LLC, shall be governed by the substantive laws of the State of Delaware, including the Uniform Commercial Code as adopted in Delaware, and the United Nations Convention on Contracts for the International Sale of Goods shall not apply. Any cause of action must be commenced within one year after the claim or cause of action arises. If a court of competent jurisdiction holds these terms and conditions or any part of them to be invalid, then that part shall be enforced to the maximum extent possible and the remainder of these terms and conditions will remain in full force and effect.
