## FINISHES

In addition to the standard “High-Luster” finish, **TERE-STONE®** is also available in an optional “Matte Finish.” Add **15%** to the base price of the product.

Optional “Matte” finish is only available on select colors, as noted above, and limited to the standard **Mini Oval, Small Oval, Large Oval** and **Grande** bowl tops. On all Marbleized and Solid Color tops the optional “Matte” finish is applied to both the deck and the bowl. On all Duocast™ tops, including the Marbleized decks, Granite decks and Sierra Series™ decks, the optional “Matte” finish is applied to the deck only and combined with a “High-Luster” bowl.

Note: “Matte” finish will appear to lighten the color.

## CUSTOM COLORS

Custom colors are available in Marbleized or Solid colors. Custom Granite or Sierra Series™ colors are not available.

## LIMITED WARRANTY

Taylor Industries, Inc. will repair or replace, at its discretion, merchandise which is defective by reason of faulty manufacture provided said defect is made known to Taylor Industries, Inc. in writing within ten (10) years of date of manufacture for all **TERE-STONE®** lavatory tops and three (3) years for all other products.

The warranty is limited to residential use and void in the event the product is damaged in transit, or if damage or failure is caused by abuse, misuse, neglect, abnormal usage, faulty installation, or installation where water temperature exceeds 150°F, damage in an accident, improper maintenance, or any repairs other than those authorized by Taylor. Taylor shall be under no further obligation under any other warranty, expressed or implied, including the implied warranty of merchantability or fitness for a particular purpose.

Labor charges, injuries, or any other loss or damages whatsoever, including those incurred during installation repair or replacement, as well as incidental or consequential damages are excluded. Further excluded are damages or defects that should have been observed before installation for which a claim is made after the unit was installed. Taylor is not responsible for damages that could have been discovered, repaired or avoided by proper inspection prior to installation. Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not imply.

Permission to return any merchandise under this warranty must be authorized by the factory. All material returned for inspection or repair must be shipped freight prepaid. Claims under this warranty should be sent directly to your dealer/distributor.

## CONDITIONS OF PURCHASE

Orders are accepted subject to fire, riots, civil disorder, Acts of God, or other conditions beyond our control. Final approval of orders is subject to factory acceptance, including orders given to our representatives.

Our products like others in the industry are subject to damage through rough or improper handling in shipping. Once the carrier has signed for the goods in good condition our responsibility ceases. Please make sure all tops are in good condition upon receipt by you. **BEAR IN MIND THAT FREIGHT CARRIERS WILL NOT HONOR A CLAIM FOR CONCEALED DAMAGE IF THE WAYBILL IS SIGNED CLEAR.** It is important to open each box as it comes off the truck. If this is not possible, then inspect each box carefully for dents, abrasions, signs of impact or markings, and sign waybill with the following notation:

“BOXES MARKED, POSSIBLE CONCEALED DAMAGE”

Remember, you have 15 days to file for inspection with the carrier's agent in order to file a claim.

## TERMS

2% 10 days, Net 30. A service charge of 1 1/2% (18% annual rate) will be added to all past due invoices. Settlement of past due invoices is required before additional shipments will be made. All orders shipped F.O.B. Parker Ford, Pennsylvania.

*The art and science of creating Marbleized, Granite and Sierra Series™ **TERE-STONE®** results in an infinite variety of patterns, color density, shading and tone; therefore, exact duplication of color samples cannot be achieved and variations will occur.*

*The Eco Series™ have been manufactured utilizing post consumer recycled content, such as glass, walnut shells and other renewable materials which can result in color variations in color density, shading and tone.*
